

### **Activity 1**

Using Accounting can provide the answer but who is asking the question?

Questions

Who is Asking?

Is the business paying its taxes?	
Will I get a raise and/or bonus?	
Is the business earning enough profit?	
Does the business have enough money to carry on providing a service or producing a product?	
Does the business meet environmental and labour standards?	
Should I buy into this business?	
Should I lend this business money?	
Should I sell this business?	
Can the business afford to pay its employees more?	
Do any of the goods for sale need to be restocked?
