

## NORTH PARK IBT BUS PROGRAM

Congratulations on your acceptance into the International Business Technology (IBT) program at North Park Secondary School. The International Business Technology (IBT) program at North Park Secondary School draws exceptional students across the Region of Peel (North of 401). The IBT program provides students with a challenging program in all academic areas. Students enrolled in the program explore subjects from a global perspective.

Thank you for your interest in Bus to School program for the school year 2016 / 2017. Bus to School Program provides bus service to students enrolled in the IBT program at North Park Secondary School. We coordinate with the school and our services extend across the Region of Peel.

Our goal at Bus to School is to provide safe, reliable and efficient transportation service that also helps in reducing our carbon footprint. We want the students to focus on their education and give parents peace of mind by providing a safe, secure and affordable transportation service.

Bus to School also helps parents and students to contribute to the green cause by using a safe and fun option for travelling to and from school. It's a great way to help reduce green house gases and global warming. By travelling with Bus to School, you participate in making a real difference in helping reduce our carbon footprint.
